**1999-2000
Year-End Report**

1999-2000 HIGHLIGHTS

★ **Legislation Raises Family Income Limit to $50,000, Modifies Curriculum:** During the 2000 session, the Oklahoma Legislature approved HB 2728 which included an increase in the family income eligibility limit from $32,000 to $50,000. The increase is expected to double the number of students participating in OHLAP. The new income limit is effective for students enrolling in the 2000-2001 school year. The bill also modified slightly the program's required 17-unit core curriculum. Beginning in 2000-2001, students may substitute two units of computer technology for two units of foreign language.

★ **Enrollment Rate Increases 63%:** The 1999-2000 10th-grade class of OHLAP students totaled over 2,300, up from 1,400 the previous year. The higher enrollment rate is largely attributable to two factors: (1) the increase in the family income limit from $24,000 in 1998-99 to $32,000 in 1999-2000; and (2) assistance from a federal grant program named Gaining Early Awareness of Undergraduate Programs (GEAR UP) that funded five regional coordinators across the state. One responsibility of the coordinators is to promote awareness of OHLAP.

★ **Federal GEAR UP Grant Adds $1 million in Scholarships:** In addition to providing regional staff that support OHLAP (in addition to many other responsibilities), GEAR UP grant monies funded "OHLAP-Plus" scholarships that provided over $1 million in additional financial aid to OHLAP college students with the greatest financial need.

★ **First OHLAP Students Become College Seniors:** The very first class of OHLAP students, high school graduates of 1996, entered their 4th year of college. Most of these students have one year left of their five years of OHLAP scholarship eligibility.

"OHLAP-Plus" Scholarships

In August 1999, the Oklahoma State Regents were awarded a five-year $20.5 million federal grant through a new program named GEAR UP (Gaining Early Awareness for Undergraduate Programs). The goal of the program is to increase the number of low-income students who complete college degrees. A significant portion of the grant funding was designated for direct scholarship expenses. To build upon the existing success of OHLAP, the scholarships were targeted at OHLAP students with the greatest financial need.

Amount of the Scholarship: The GEAR UP funds allow an eligible OHLAP student to receive an additional award that doubles the amount of their regular OHLAP scholarship (hence the name OHLAP-Plus). For example, an OHLAP student receiving a $1,500 regular OHLAP scholarship can receive another $1,500 OHLAP-Plus scholarship from the GEAR UP grant [Example: $1,500 OHLAP + $1,500 OHLAP-Plus = $3,000].

Student Eligibility Requirements: To receive the OHLAP-Plus award in 1999-2000, the student had to meet the following criteria:

 - Receive a regular OHLAP award
 - Receive a federal Pell grant award (which is need-based)
 - Have remaining unmet need within their defined "cost of attendance". For example, the OHLAP-Plus awards could substitute for student loans.

Highlights:

 - Almost three-fourths (72%) of all OHLAP students received a Pell grant, but 10% of these did not have any unmet financial need and therefore were not eligible for the OHLAP-Plus scholarship.

 - Nearly two-thirds (65%) of the OHLAP students received an OHLAP-Plus award— over $1 million was distributed to almost 800 students.

 - Pell-eligible OHLAP students attending higher cost institutions (comprehensive and regional public universities, private universities) were most likely to receive OHLAP-Plus scholarships. Nearly 100% of Pell-eligible OHLAP students at the public comprehensive universities and private universities received OHLAP-Plus; about 90% of those at public regional universities received the scholarship. In contrast, only about 70% of Pell-eligible OHLAP students at public two-year colleges received OHLAP-Plus—this is due primarily to the fact that two-year college students were more likely to have all their college costs covered by existing financial aid and did not need the OHLAP-Plus scholarship.
