

## 2007-08 Year-End Report

### HIGHLIGHTS:

**2008 Legislative Changes:** The 2008 Oklahoma Legislature approved several changes to the program including the following:

- Delaying implementation of a new second income limit for one year until 2010-11. For first time award recipients in 2010-11, the income of the student’s parents may not exceed \$100,000 at the time the student goes to college.
- Delaying new college GPA requirements for one year and slightly modifying the requirements. Based on the new law, students receiving the award for the first time in 2010-11 will be subject to a minimum college GPA of 2.0 for courses taken through the sophomore year and a minimum 2.5 GPA for courses taken during the junior year and thereafter.
- Expanding income eligibility for certain students adopted from permanent state custody or other specified custody circumstances.
- Increasing the flexibility for students in the military to begin using the program award after high school graduation.
- The Legislature also created a task force to examine the program’s income requirements and college award-retention requirements to make recommendations to the Legislature for consideration in 2009.
